

Code of Service  
Chambers County Library System

The library public is entitled to easily accessible library collections in a safe, clean, organized, and appropriate environment staffed with friendly, courteous people.

Each member of the library public is to be welcomed, fairly and courteously, without discrimination.

Service to the public takes precedence over the library's internal paperwork and internal communications.

Information given to the library public will be based on verifiable, current sources, clearly communicated, and given in a timely manner.
