

## Chambers County Library System – June, 2019

Every June we begin with our annual Summer Reading Program. Months of prep and planning gets us to this point, and the results never disappoint. This year we went with a Summer in Space theme. Kids, teens, and adults have had the opportunity to attend some great programs, win prizes, and of course read, read, read! In June alone, we had over 27,000 items circulate, and over 15,000 people walk through our doors. People love their library and it shows.

To give you an idea of our busy summer, here's a quick rundown of events we held in June:

- Hot dogs with the Sheriff's Office
- Smoothies with the Outreach Coffee Shop
- Sno-Cones with the County Treasurer
- Popsicles with the Commissioners
- Popcorn bar with the Librarians
- Stuart the Chicken Express chicken
- Planetary Prize Wheel
- Astronaut Photo booth
- Balloon animals
- Craft day with the Chick-fil-A cow
- Astronaut training program
- NASA space program
- DIY lightsabers
- Cookies & canvas
- First responders day
- Galaxy painting
- Tie dye shirts
- Color wars
- Orbit the Astros mascot
- Houston Astronomical Society
- Galaxy slime
- Splatter art
- Adult trivia night
- DIY your own apron
- Escape Room space game
- Wine tasting
- Movie days
- Book clubs

Our first week is considered "Launch Week" where we encourage summer reading signups. We also invite out some of our local elected officials to help pass out goodies to the kids and interact with the patrons. We appreciate the time they took from their busy schedules to learn more about our Summer Reading Program.

Our newest program at the Sam and Carmena Goss branch is the Cork Dork Book Club. Yopez Winery in Beach City asked to partner with the library for a monthly book club paired with good wine and good company. Anyone is welcome, and book titles are available at the library and online for eBook and audiobook users. The next meeting is August 6 at 6:30 at the Yopez Vineyard.

One of our most popular programs by far this summer has been the Houston Astros mascot, Orbit. Even with the busy baseball season, Orbit managed to make the rounds to all the libraries in Chambers County. His fast-paced show was educational AND fun. Orbit took pictures with everyone who attended.

The Texas State Library and Archives Commission has a 'Libraries in the News' email that goes out each week. This email features news, programs, or other interesting happenings at libraries around Texas. Their latest issue featured a promotional video from the Sam and Carmena Goss Memorial Branch staff showcasing their acting talents. The video will be on the library's website for a few more days if you want to check it out.

Teen Librarian Shelby Fielding was asked to do an all-night Escape Room for Barbers Hill's Project Graduation. Shelby has done several successful Escape Room programs for the library, which prompted the school's request. Her efforts paid off with a gift of a graduation photo and a \$500 donation to the library.

Branch Librarian Aquilia De la Cruz did an outreach program at the Wellness Center's Summer Bash. Aquilia, along with her summer help, showed kids how to make ice cream in a bag while doing the chicken dance. The kids (and parents) had a blast.

In historical news, A. Lynette Parsons works part-time for the library doing database entry and digitization for historical items located at the museum, library, and the Chambers County Museum at Wallisville. Over the past couple of years this collection has grown to over 25,000 items in the library's digital collections software, Montage. The items that are being digitized have been buried in vertical files and boxes at the museum for years, and it's our job to bring them back to life. We have several success stories where people find historical articles, family lineage files, and most recently a mason with the Cedar Bayou Masonic lodge found items that were very useful to his group. He was very excited and will be back to do more research.

And finally, we even found time during our busiest month to meet with our architects for the new library in Winnie. The plans are taking shape and we will be moving forward very soon, so stay tuned!

Until next month!
